Additional benefits for your consideration.

**The availability for qualifying pedigrees to further qualify for an
Official AACDT VALIDATION PEDIGREE.**

In one easy step, after your initial registration, you'll be able to request this additional pedigree.
You then send this Official Validation Pedigree to FCPR and you're on your way to developing
relationships with fellow Coton breeders all over the world, by means of export, trades, or
shipping frozen semen.

Think about how many times you have asked?

"Where am I going to add new bloodlines to my program?"
How will I be able to afford this & build a new breeding relationship?"
"How can I compete in agility, obedience & conformation at an
International level with Cotons bred in the USA?"

We've just answered your questions!!!

The AACDT has "International Delegates" to help you with requirements in their regions of the
world"
